## DETAILED ACTION

### *Claim Rejections - 35 USC § 102*

The following is a quotation of the appropriate paragraphs of 35 U.S.C. 102 that form the basis for the rejections under this section made in this Office action:

A person shall be entitled to a patent unless –

(e) the invention was described in (1) an application for patent, published under section 122(b), by another filed in the United States before the invention by the applicant for patent or (2) a patent granted on an application for patent by another filed in the United States before the invention by the applicant for patent, except that an international application filed under the treaty defined in section 351(a) shall have the effects for purposes of this subsection of an application filed in the United States only if the international application designated the United States and was published under Article 21(2) of such treaty in the English language.

1. **Claims 49-92** are rejected under 35 U.S.C. 102(e) as being anticipated by Raith, US Patent No. 6,711,408.

Regarding claims 49 and 70, Raith discloses a method (and apparatus for) of assisting at least one handover for a mobile device in a mobile communication environment with a plurality of access points, characterized by the steps :

determining an operational context as a profile of applications being executed in the mobile device before or at the time of proactive deployment of the handover decision mechanism (reads on anticipation of handoffs) (col. 6, line 44 to col. 7, line 20 and col. 8, line 14-64); and

proactively deploying a handover decision mechanism in relation to the at least one handover and according to an operational context into a subsystem of the mobile communication environment executing the handover (col. 8, line 14 to col. 9, line 14).

Art Unit: 2617

25 and col. 10, line 43 to col. 11, line 60); and

determining at least one new access point for the mobile device using the deployed handover decision mechanism (col. 10, line 43 to col. 11, line 4).

Regarding claims 50-69 and 71-92, Raith further discloses determining a current position of the mobile device as operational context and predicting a movement of the mobile device as operational context (col. 8, line 14 to col. 9, line 25 and col. 10, line 43 to col. 11, line 60).

### ***Response to Arguments***

2. Applicant's arguments filed 6/8/07 have been fully considered but they are not persuasive.

### **Conclusion**

3. **THIS ACTION IS MADE FINAL.** Applicant is reminded of the extension of time policy as set forth in 37 CFR 1.136(a).

A shortened statutory period for reply to this final action is set to expire THREE MONTHS from the mailing date of this action. In the event a first reply is filed within TWO MONTHS of the mailing date of this final action and the advisory action is not mailed until after the end of the THREE-MONTH shortened statutory period, then the shortened statutory period will expire on the date the advisory action is mailed, and any extension fee pursuant to 37 CFR 1.136(a) will be calculated from the mailing date of

Art Unit: 2617

the advisory action. In no event, however, will the statutory period for reply expire later than SIX MONTHS from the mailing date of this final action.

**4. Any responses to this action should be mailed to:**
